### Give More with Less Burden.

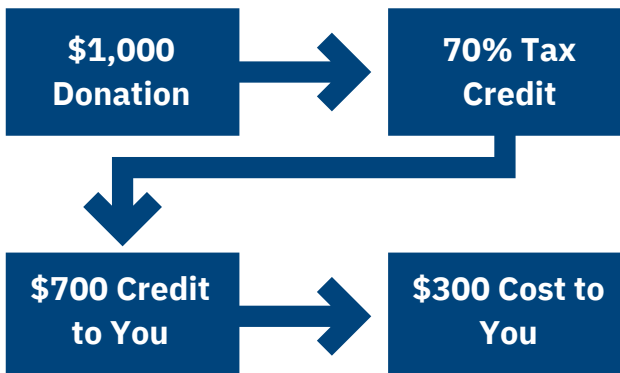

Because you receive up to 70% back, you can maximize the dollars given to help children while not breaking the bank. You can receive **up to \$50,000** back in CFC tax credits each year.

### Help Our Most Vulnerable Children

Each year, there are thousands of Missouri children in foster care who have experienced abuse and neglect. Your gift supports us in our work to improve child advocacy and support these children.

At the end of the year, you will receive an acknowledgment letter and tax credit application form with instructions. Tax credits may be applied to the tax year in which the donation was made or any portion of the tax credit not claimed may be carried over to the next four succeeding tax years.
